Want Volunteers To Aid Scout Work

The Pahokee Girl Scout Committee met at the home of the chairman, Mrs. Grady Barker, Tuesday evening to complete plans for the immediate reorganization of Scout and Brownie troops in the community.

It was announced a recruiting campaign will be conducted from now until Sept. 8 to obtain leaders and co-leaders for six troops. It was pointed out the need for scout leaders is urgent and all persons willing to assist in local scout work are asked to contact Mrs. Barker.

At the end of the campaign on the evening of Sept. 8 the girl scouts, brownies, their parents, troop leaders and friends will hold a supper meeting on the lawn of the First Methodist Church, starting at 6:30 o'clock. Each family will bring its own sandwiches and the scouts will furnish the cold drinks.

Following the get-together supper, the committee expects to have all troops organized and active by Sept. 11.

It was voted at the committee meeting to supply each troop leader and co-leader with a leadership handbook and to purchase a large cabinet for storing scout literature and materials, which will be placed in a public place and will be available for use by all persons interested in scout work.

Scout officials attending the committee meeting with Mrs. Barker were Mrs. Lewis Friend, Mrs. Rupert Mock, Mrs. Leon Spooner, Mrs. Dean Wilson, Mrs. James H. Wilson and Mrs. Clyde A. Canipe.

Rainbow Girls To Install Officers

Miss Shirley Watson was elected worthy advisor of the Pahokee Assembly of the Order of Rainbows at a meeting in the Masonic Hall Monday night.

Other new officers elected were the Misses Rita Fay Hurt, worthy assistant advisor; Marlene Williams, charity; Myrtle E. Baxter, hope; Stella Sue Barnes, faith; Bonnie Fay Meeks, drill leader; Catherine Thompson, chaplain; Faith Brown, choir director; Linda Sue Cowart, confidential observer; Shirley Ammons, outer observer; Carol Ann Cowart, love; Christine Unwin, religion; Wynell Gillis, nature; Donna Gail Jensen, immortality; Pauline Dowling, fidelity; Laverne Geiger, patriotism, and Sarah Summers, service.

It was announced the installation ceremony for the newly elected officers will be held in the Masonic Hall this Friday evening, Sept. 1, at 8 p. m. The public is invited.

RECEIVES BS DEGREE

Mrs. Kathryn Cunningham, Pahokee elementary school teacher, received a bachelor of science degree from Georgia Teachers College, Collegeboro, Ga., at commencement exercises held there on Wednesday of last week.

Pahokee Lions In Regular Meeting

E. D. Sims, new manager of the Everglades Labor Camp south of Pahokee, was received as a new member of the Pahokee Lions Club at the Tuesday luncheon meeting. He was introduced to club members and inducted into Lionism by Edward A. Jensen.

The club voted to sponsor a softball game between two all-star league games to be held on the city park diamond Tuesday, Sept. 5, at 7:30 p. m.

E. P. Holt reported the free tennis lessons given at the city park courts this summer by Whitney Powers, tennis professional, under the sponsorship of the club, were enthusiastically received by the public and successful in every respect.

Funeral Services For Jess S. Walton

Funeral services for Jess Samuel Walton, 64, of Pahokee were held at the Pahokee First Methodist Church Wednesday, Aug. 30, at 2 p. m., with Rev. Ralph W. Todd officiating.

Mr. Walton died at the Everglades Memorial Hospital Sunday afternoon following a short illness. He was a resident of the Glades for 14 years and was employed as a salesman for a wholesale grocery firm.

He is survived by his wife, Ceatye, Pahokee; one daughter, Mrs. J. Clark Johnstone, Stuart; one son, Jake Walton, Jacksonville; one brother, R. C. Walton, Portsmouth, Va.; two sisters, Stannore Lee and Mrs. Eugenia Lee, Orangeburg, S. C., and six grandchildren.

Palbearers were A. L. Kredell, West Palm Beach; Mead Willits, South Bay; Tom Taylor, Indian town; C. C. Cruthird and J. V. Thomas, Pahokee.

Everglades Lodge 211, F&AM, Pahokee, was in charge of graveside services at Woodlawn Cemetery, West Palm Beach. Berry's Funeral Home was in charge of arrangements.

Swainsboro Woman Dies In Pahokee

Mrs. Hattie Dona Watkins, 47, of Swainsboro, Ga., died Sunday afternoon at the home of her daughter, Mrs. Lena Sherrad, on Barfield Highway, Pahokee.

Survivors, in addition to Mrs. Sherrad, include the husband, Gordon F. Watkins, Swainsboro; three other daughters, four sons and 12 grandchildren.

The body was sent to Swainsboro for funeral services and burial. Berry's Funeral Home was in charge of local arrangements.

Former Pahokee Resident Is Dead

Rodolphus W. Howland died, Tuesday, Aug. 8 in South Dartmouth, Mass. He had been a winter resident of Pahokee for many years making his home at "The Gables" on Bacon Point Road. He is survived by his widow, two sons and four grandchildren. He had been ill a short time.

Old Grades & New Ready For Opening Canal Point School

The teaching staff at the Canal Point School is complete and everything is in readiness for the opening of school on Sept. 5, according to Claude Williams, the new principal who comes to Canal Point from Clewiston.

Children entering the first grade will register on Friday, Sept. 1, from 8:30 a. m. to 3 p. m. Parents are asked to bring birth certificates for these children showing they are six years of age or will be six before Jan. 1, 1951.

Registration of pupils from the second through the seventh grades will take place Tuesday, Sept. 5, starting at 8:30 a. m.

A new grade, the seventh has been added to the Canal Point School. For the past few years Canal Point children in the seventh grade have been going to Pahokee, but these arrangements has not proved satisfactory and the County School Board recently voted to have the seventh grade returned to Canal Point.

The teaching staff includes Mrs. Wilma Lence, first grade; Mrs. Lucille deMoya, second; Mrs. Marvel Griffith, third; Mrs. Billie Hudie, fourth; Mrs. Sorchie Baird, fifth; Mrs. Vivian Mercer, sixth, and Claude Williams, seventh grade and principal. Edwin Leggett, new music teacher for Canal Point and Pahokee elementary and junior high schools, will teach music at the Canal Point on Tuesday and Thursday mornings.

May Be Shortage Of Containers If War Is Continued

Approximately 50,000,000 containers will be required to transport the 1950-51 crop of Florida vegetables and non citrus crops to market and some essential container materials may soon be in short supply, according to LaMonte Graw, Manager of the Florida Fruit and Vegetable Association in Orlando.

"A preliminary survey of sources of container supply recently completed by the Florida Fruit and Vegetable Association has developed the fact that while container manufacturers have adequate facilities for meeting this need, the available supply of materials is considered to be limited. The container situation has already been reported as serious on the Pacific coast.

"Growers and shippers are concerned over the probable restrictions which might be placed on containers by the Federal Government. Container manufacturers are faced with the possible diversion of the supply of lumber, nail steel and other materials, and with the fact that the cost of these materials is rising.

"Other factors affecting the availability of containers are the possibility of price ceilings, which could place manufacturers in a (continued on page 8)

Harmony Four Are Guests Of C. P. Lions

The Harmony Four, a quartet of Pahokee youth composed of Millard Snyder, Chandler McIlwain, Charles and Willard McCurdy, entertained with a program of songs at the dinner meeting of the Canal Point Lions Club Monday evening. The quartet was introduced by A. R. Harrington, program chairman.

The club voted to purchase two new nets for the tennis courts at the Canal Point School, this purchase completing the club project of rebuilding and equipping the courts.

It was announced the club will not hold a meeting next week, since the regular meeting date falls on Labor Day. President Boyd Vorhees presided.

Pahokee Schools Ready For Opening

Registration of Senior High School students, ninth through twelfth grades, and first grade pupils will take place at the Pahokee School this Friday, Sept. 1, from 8:30 a. m. until noon, according to Principal C. A. Canipe. Children in the remaining grades, second through the eighth, will register on Tuesday, Sept. 5, starting at 9 a. m.

Children registering this Friday will have to provide their own means of transportation to and from the school as the school buses will not start their regular runs until Sept. 5. Parents of children entering the first grade must produce birth certificates showing the child is six years of age or will be six by Jan. 1, 1951.

On Sept. 5 all students in grades seven through 12 will attend a brief assembly at 9 a. m. following which they should report to their home room teachers to work out schedules of study.

All students will be released from school at 11:30 a. m. on Sept. 5 and regular classroom work will start Wednesday morning, Sept. 6.

Mr. Canipe announces the following changes in the teaching staff at Pahokee Schools: Mrs. Phara Morris, former teacher at the Pahokee School, is returning as English and Latin instructor. James H. Maynard, former assistant coach at Belle Glade, has been named boys athletic director and head football coach. Edwin Leggett, formerly of Lake Worth, will teach music in the elementary and junior high schools at both Pahokee and Canal Point. Miss Jerry Hicks, formerly of Macon, Ga., has been named girls athletic director, replacing Miss Julia Beckman who resigned Aug. 14 to become an instructor at Mercer University, Macon Ga. Mrs. Peggy Willis of Pahokee will teach the third grade, replacing Mrs. Lula Pope who has been transferred to Lake Worth.

Baked Food Sale Schedule Sept. 9

The Gertrude Shirley Circle, Pahokee First Methodist Woman's Society of Christian Service, will sponsor a benefit baked foods sale to be held in front of the Pahokee postoffice Saturday, Sept. 9, starting at 9 a. m.

Papers Signed For Commerce Body

Corporation papers for the newly organized Pahokee Chamber of Commerce were approved by Circuit Judge Joseph S. White on Thursday of last week.

John Sutterfield was named temporary president of the new chamber. Other officers include Lewis Friend, vice president; Ralph O. Johnson, secretary; Rupert Mock, treasurer; M. I. Keen, I. M. Lair, F. M. Shaugnessy, W. A. Keen, Bill Golden, Joseph Kahn, Abe Dobrow and C. L. Shirley, directors.

The charter provides for business honorary and individual memberships. By-laws, to be approved by the membership, may be amended by a two-thirds vote of membership present. The corporation may own real estate not to exceed \$100,000 in value and the highest amount of liability shall not exceed two-thirds of its property value.

President Sutterfield has named the following committees: Membership, M. I. Keen, chairman, Frank Rozelle, H. J. Clause, J. V. Mullis, James W. Vann and J. Sutterfield; nominating, Lewis Friend, chairman, I. M. Lair, C. L. Shirley, A. E. Jensen and F. M. Shaugnessy; incorporation, Ralph Johnson and Thadd Whidden; publicity, R. J. Schroder and J. Sutterfield.

The first election will be held Oct. 10, 1950 and regular annual elections of new officers will take place on the second Tuesday of October thereafter. At the close of the membership drive on Sept. 12 the directors will recommend a slate of permanent officers subject to membership vote in the first election, Oct. 10.

Blue Devils Train For Opener Sept. 22

With the return of several members of the Pahokee Blue Devil football squad from the National Guard training camp last weekend, preschool football practice took on new life at Lair Field this week, with 23 boys coming out for training under the tutelage of Jim Maynard, the new coach. Maynard has been training a dozen or so boys daily for the past two weeks but had been handicapped by a scarcity of material. With enough men now to form two teams he is starting to get results.

The Blue Devils will play in the newly organized Suncoast Conference this season. Other teams in the conference are Belle Glade, Clewiston, Fort Pierce, Vero Beach, Stuart, Lake Worth and Seacrest. Pahokee's opening game, will be at Clewiston on Sept. 22.

Guardsmen Home From Fort Jackson

A group of Pahokee and Canal Point National Guardsmen, headed by Lt. Gene Pickren, Lt. Carl Mendlin, Sgt. George Belk, Jr., and Sgt. James Sims returned Sunday from South Carolina where they spent two weeks of intensive training at Fort Jackson.

News Notes From State Capital

TALLAHASSEE—The minor storm over state road department leasing of equipment blew out with a decision from Circuit Judge Hugh Taylor here that the practice is illegal, but that more than \$500,000 of such work must be paid for. Suit was brought originally by Robert O. Ghitto and Arthur J. Sims, former road department employees, to set aside such equipment rental contracts. Defending contractors represented by former Gov. Millard Caldwell and Doyle E. Carlton said the practice has been going on a long time. Attorney General Richard Ervin intervened to declare that the law prohibits leasing without formal bidding, added that long established custom doesn't change the written law. Result—the contractors will get paid for equipment already leased, but future use of private machinery will come after public bidding.

TALLAHASSEE—Railway Express Agency's request for a 10 per cent boost in first and second class rates in Florida has been denied by the Florida Railroad and Public Utilities Commission. Reason for denial was that the agency's sworn statement of earnings its annual report to the commission differed materially from testimony at the hearing, and the agency failed to prove it is not getting all it is entitled to at present.

TALLAHASSEE—Six experts from the state department of education are working in Orange County this week to survey sites for the proposed negro school in Orange county, subject of bitter protests from white citizens. The Orange county school board alternate location in a negro subdivision was too far from the center of negro population. The six-man team will try to find a more acceptable substitute.

TALLAHASSEE—Attorney General Richard W. Ervin this week gave his opinion on the following general subjects:

FICTITIOUS NAME—Corporation which does business under fictitious name must register with clerk of circuit court under trade name act.

ONE-BALL—So-called one-ball machines which pay off in free plays are illegal.

DRUNK—Drunk driver convicted in certain justice of peace courts may have driver's license revoked by highway patrol.

POLITICS—Contribution to political campaign by individual who also is officer authorized to bind corporation may, prima facie, be contribution of corporation.

TAXES—Motor vehicles may be seized and sold to satisfy unpaid tangible or intangible taxes on other property.

VOTING—Absent voter may apply for absentee ballot on home-made form, if it conforms to law.

BIDDING—County commissioners may contract for certain work for \$300 (a) if advertising will not produce bidding, or (b) in genuine emergency.

WORKERS—Employees of county and school board come under workmen's compensation.

RAIDS—State beverage agents may search licensed premises for gambling evidence without search warrants.

FENCING—Local laws are required to put all livestock completely under fence, as state law requires only that they be fenced off main state highways.

VETERANS—Veteran, is entitled to legal preference on each examination until he obtains promotion.

RECREATION—County authorized to issue bonds for playground and parks may also expend money to maintain and improve them.

TALLAHASSEE—Damage suit news—Final settlement has been reached between widows of two men electrocuted by a line of Talman Electric Cooperative, and the company and landowner, in suits totalling \$300,000. Also, settled was the \$50,000 suit of Jarvis LeBarre, injured in the same accident, when Air Force Sergeant John Matthews and Don Whiting were killed. A steel fishing rod used by one of the three touched a low-hanging power line. A jury awarded Mrs. Matthews \$85,000, Mrs. Whiting \$54,000 and LaBarre \$20,000. All were appealed. The settlement followed. P. M. Schuchart, Tallahassee, general manager of Southeastern Telephone Company, has sued Otto Wettstein III and the Florida Telephone Corporation for \$350,000 as the aftermath of injuries Schuchart received in an automobile accident. Wettstein was the driver of the car in which Schuchart was a passenger.

TALLAHASSEE—State road department says politicians put up more than half of the illegal signs torn down by its outdoor advertising department in the past four months. Joe Burnett, ad director, says shows, races and other amusement account for most of the other illegally posted notices. Some 1650 signs a month are removed by the department's traveling inspectors.

TALLAHASSEE—Governor Warren and cabinet members have conferred with Francis (Cookey) Williams, mayor of Inverness and nominee for the state legislature from Citrus county, who faces call to active duty. Representative-elect Williams announced he will resign if called to a theatre which will prevent his returning to serve, and that his wife will seek his seat in a special primary. Numerous other members of the 1951 house and senate also face calls to duty, may present problem of special elections next winter and early spring.

TALLAHASSEE—Sightseeing operators of Dade County will appear August 31 before the Florida Railroad and Public Utilities Commission to argue for and against a commission order giving cities the right to refuse terminal locations to operators of sightseeing buses. The commission recently opened up Dade county to permit all sightseers to establish terminals where they chose, subject to veto by the municipality involved. The commission this week is sitting in Tampa, hearing applications from Benton Brothers Film Exchange, from Jack's Cookies, and from Cement Carrier Corporation for state operating rights.

TALLAHASSEE—The sweeping searchlight of the state gambling inquiry touched briefly on Polk county this week and then began a shift to other counties, while suspensions from office reached nine in five weeks and 11 since Governor Fuller Warren took office. Sheriff Frank M. Williams was suspended as sheriff of Polk county on charges of accepting bribes, and following indictment by a grand jury. Four members of the Calhoun county school board were suspended for overspending their 1948-49 budget. Sheriffs of Broward and Okaloosa county now are under suspension. The light of inquiry is expected here to shift to Duval county, where city police in

Heads Safety Drive

General Chairman Carl D. Brorein (above) of the Governor's Highway Safety Conference says plans for the sessions in Tampa are moving ahead rapidly and that three Conference committees already have met and made preliminary recommendations. The three groups which have held their first meetings are those on Public Education, Engineering and Public Information. Prior to the Conference in Tampa Sept. 28-29, committees on Enforcement, Accident Records, Traffic Courts, Organized Public Support, Driver Licensing and Laws and Ordinances also will convene to prepare reports and recommendations. Brorein, designated General Chairman by Governor Warren, is a Tampa telephone company executive.

recent months have been in conflict with the mayor over gambling, to Sheriff Alex Littlefield of Volusia county, recently unseated chairman of the state Democratic committee; and to Sheriff Jimmy Sullivan of Dade County, under fire from the local crime commission.

TALLAHASSEE—Another \$5,000,000 worth of road and bridge projects will be bid on here September 6, including some 35 miles of new highway. Duval, Polk, Bay, Palm Beach, Madison and Taylor counties get the benefit of this new work.

TALLAHASSEE—The ninth exchange of Southeastern Telephone Company change from manual to dial here at the week-end, with Chairman Wilbur C. King of the Florida Railroad and Public Utilities Commission pulling the switch. Toral Duckett, Florida manager for Southeastern, said that only exchanges at Monticello and Valparaiso remain to be converted to dial. Tallahassee is the largest Florida exchange, and this week was connected by additional new long distance circuits to the Bell system. Chairman King praised the company for its initiative in both operations; which are housed in a newly completed addition to the main building.

TALLAHASSEE—Attorney General Richard W. Ervin this week gave his opinions on the following general subjects:

LIQUOR—Club license for liquor selling cannot be sold in area zoned against beverage sales. **ROADS**—County may use its funds to build or maintain road wholly within city limits, or lying along the city boundary.

AUTO—Driver of federal, state or city vehicle is not subject to financial responsibility law so as to prevent driving such vehicle.

FRUIT—Grower who also sells his own produce is subject to zoning, highway and occupational license regulations, although exempt from paying license.

AGED—County commissioners may operate home for aged under its general welfare fund.

BONDS—Constable may approve appearance bond in criminal case under certain circumstances.

GASOLINE—Rubber solvent, hexane and similar petroleum products are not taxable like gasoline

unless used as fuel.

VOTERS—General registration books may be in hands of district registration officers only in January and February of general election year.

BIRDS—Game and fish commission may adopt rules of U. S. department of interior for taking migratory birds.

TALLAHASSEE—Plans for allotting 1,000 seats in the new Campbell stadium of Florida State University will be announced early in September. Rainey Cawthon, Tallahassee businessman and one-time Florida football great, said the seats will be allotted on a "first come, first serve" basis at a downtown office, at a date to be announced later. The seats, costing \$50 each and good for five football seasons, were sold for \$50,000 cash to start the quarter of a million dollars stadium. Steel is being erected, the playing field is sodded, and FSU hopes to play in the stadium by early October.

TALLAHASSEE—Sight-seeing bus operators of Dade county will be heard here this week on their protest against opening up Dade County for an unlimited number

of terminals. The Florida Railroad and Public Utilities Commission by recent order allowed Miami sightseeing lines to apply for terminals on Miami Beach, and for beach operators to pick up on the mainland. Miami Beach has objected to permitting Miami bus lines to compete with beach operators, and the commission has called both sides to Tallahassee for oral arguments.

Eastern Stars Have Morris Day Program

Members of the Pahokee Chapter, Order of Eastern Star, observed annual Robert Morris Day with an outdoor social gathering and picnic supper at the home of Mrs. Etta Mae Friend, worthy matron, in Indiantown Thursday evening of this week. Mrs. Ruth Carpenter was chairman of the committee in charge of arrangements for the picnic. She was assisted by Mrs. Jessie Barnes and Mrs. Dorothy Graham.

WE ARE IN STEP WITH THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to KEEP IN STEP with what is going on here in this vast agricultural area on the eastern shore of Lake Okeechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

KEEPING IN STEP with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

County commissioners Monday awarded to the Motorola company a contract for furnishing radio equipment to the sheriff's department at a cost of \$6,970, over the objections of C. Y. Byrd, board member from Delray Beach, who opposed the action on the basis that the General Electric Co., had submitted a bid \$600 lower.

Commissioner John Prince of Lake Worth made the motion awarding the contract to Motorola but stipulated that his stand was based on a recommendation from the sheriff's department which had been given two weeks to make an investigation.

Prince said that under the statutes, the county was permitted to make the award for the "best" or the "lowest" and pointed out that Sheriff John F. Kirk, whose department would use the radio equipment, had recommended Motorola. Involved in the purchase were ten sets for the sheriff's cars an operating station in the new county jail and an antennae.

When the contract was put to a vote, four of the commissioners voted in favor with Byrd voting "no".

The commission also took steps at Monday's meeting to launch work on the development of the new county Phipps Park on the oceanfront between Lake Worth and Palm Beach. Commissioner Prince said that with work on AIA nearing completion, he would favor that County Engineer J. M. Boyd be instructed to proceed with paying at least one parking area in the new park and doing whatever other planned work was possible at this time.

Vice-Chairman Paul Rardin, of Canal Point, who presided at the commission session, was authorized to attend a meeting of the National Association of County Commissioners in Atlantic City Sept. 1-8. It was brought out that

the sessions will be of importance to county commissions throughout the country, and Rardin, who is vice-president of the State Association of County Commissioners, will attend the event both as a representative of the Florida organization and the Palm Beach County Commission.

On Motion of District 1 Commissioner Kenneth Foster, \$1,029 remaining in the fund for the development of the Riviera Beach Memorial Bridge project was transferred to the general fund thereby closing the account for the new span.

Commissioner Foster also reported that following complaints about the condition of N. Military Trail, which is under construction he and County Engineer Boyd toured the area and discussed the situation with the contractor. He said the contractor had given assurance that he will take every possible step to keep traffic moving in good shape until completion of the work.

Requests from band patrons of Palm Beach High school and the Dog Fanciers, Inc., and from the State Fair Association at Tampa were tabled pending the return this week of County Commission Chairman Lake Lytal. It was pointed out by the board that such requests, for donations in the first two instances, are not permitted under a recent ruling by the state attorney general. In regard to the possibility of the county participating in the Tampa State Fair, Commissioner Prince said he thought it should be the policy of the board to support "our own Palm Beach County Exposition," rather than take part in others.

In other actions the commission granted permission to the Florida Power & Light Co., to install pole lines on an Everglades Drainage District leashold south of the airport.

Agreed to attend a meeting of the Florida Educational Association set for the Biltmore Hotel Aug. 31, at which Thomas Bailey state supt., of education will be the speaker.

Agreed to revoke dedication of lots within West Palm Beach as they may be sold and also to withhold sale of others in Delray Beach.

Referred to County Engineer Boyd for study and recommendation later bids on office, kitchen and cell equipment for the new Palm Beach County Jail, bids from prospective purchasers of outmoded or unusable county construction equipment, and a single bid from the Florida Electric Co., for \$1,450 for 12 traffic and one intersection lights for a new traffic setup on Royal Park bridge.

Heard reports from County Engineer Boyd on right of way acquisitions for the Lantana, Boca Raton and Lake Park west roads. And agreed on motion of Commissioner Foster to install a caution light on U. S. No. 1, at Juno Beach, Nov. 1.

Tennis Team Wins In First Encounter

The newly organized Pahokee tennis team defeated a veteran Palm Beach junior team, 5-1, in a return match on the city park courts Saturday afternoon.

Pahokee players winning singles included Carney Wilder, Ronnie May and George Rozelle. Bill Donnell of Palm Beach defeated Payne Jackson of Pahokee in singles play, 6-3.

In doubles play, Jackson-Wilder (Pahokee) defeated Donnell-Farrar, 6-4, and May-Rozelle (Pahokee) downed the Palm Beach combination of Sayad and Sory, 6-2.

Both the Pahokee and Palm Beach teams were coached by Whitney Powers, tennis professional.

John Dulany Home From WPB Hospital

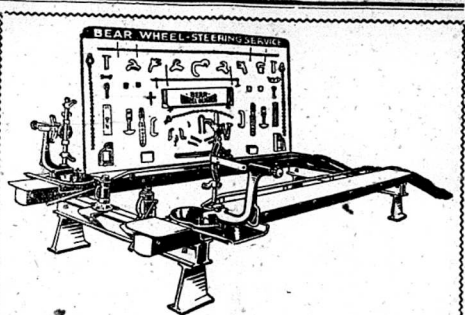

John A. Dulany, sales manager of the Lake Okechobee Farmer Cooperative, was able to return home last Tuesday from Good Samaritan Hospital, West Palm Beach, where he received treatment for two fractured vertebrae suffered in a recent fall. It is reported Mr. Dulany is recovering nicely but will have to wear a cast for six weeks.

Since August, 1945...

We've Nearly Doubled the Number of Telephones

...and we're still on the run!

What an expansion of telephone facilities for five short years! The number of Southern Bell telephones in service has been increased from 1,805,980 at the end of World War II to 3,366,000 today—nearly doubled. Thus, in five years' time, we have achieved an increase in telephones as large as the increase for the first 63 years of our company's history.

And here's more of the five-year picture of progress:

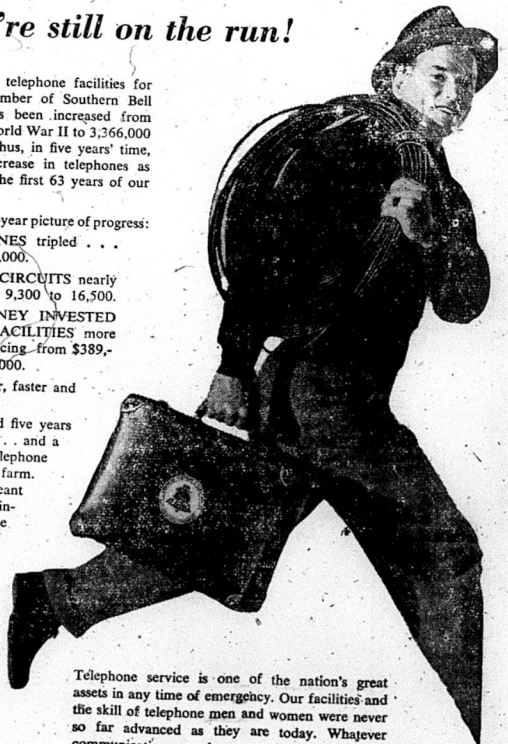

RURAL TELEPHONES tripled ... from 144,721 to 434,000.

LONG DISTANCE CIRCUITS nearly doubled, going from 9,300 to 16,500.

AMOUNT OF MONEY INVESTED IN TELEPHONE FACILITIES more than doubled, advancing from \$389,600,000 to \$837,000,000.

SERVICE ... clearer, faster and more dependable.

The South has experienced five years of unprecedented growth ... and a tremendous upsurge in telephone demand in town and on the farm. Meeting this demand has meant constructing new buildings, installing new central office equipment and thousands of miles of wire on pole lines and in cables. For each telephone added today, these facilities are costing nearly twice as much as in 1945.

Telephone service is one of the nation's great assets in any time of emergency. Our facilities and the skill of telephone men and women were never so far advanced as they are today. Whatever communications needs may arise, they will be met to the utmost.

Try this on your stereoscope!

When this "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U.S. Savings Bonds help to picture a bright, happy future!

Automatic saving is sure saving—U.S. Savings Bonds

Hicks - Connell

Miss Betty Jean Hicks, daughter of Mr. and Mrs. J. P. Hicks, former Pahokee residents now living in Nashville, Tenn., and Hueston Connell, son of Mr. and Mrs. G. C. Connell, Pahokee, were married in the parsonage of the First Baptist Church, Kingsland, Ga., on Thursday, Aug. 24. Vows for the single ring ceremony were read by Rev. N. Brooks, pastor of the church.
The bride wore a navy blue street-length dress with white accessories and a corsage of gardenias. She graduated from Pahokee High School last June and was chosen by popular vote the 1950 Sweetheart of the Pahokee Chapter, Future Farmers of America,

at the high school.
Mr. Connell graduated from Pahokee High School in 1949 and was a backfield letterman on the Pahokee Blue Devil football team.
The couple will make their home in Pahokee where he is associated with his father in the grocery business.

Mr. and Mrs. J. W. Bordeaux, son and daughter-in-law of Mr. and Mrs. J. H. Bordeaux of Canal Point, announce the birth of a son, John Eugene, at the Pensacola Naval Air Station Hospital, July 31.
Mr. and Mrs. Donald Padgett of Gainesville announce the birth of a daughter, Donna Joy, at a hospital in that city on Aug. 24.
Mr. and Mrs. Duncan Padgett of Pahokee are the paternal grandparents.

Each of the state's 67 counties is richer by \$82,400 this year, thanks to the racing track revenue split equally between them. Figures prepared by Hialeah show that, while the average track "take" for the nation is around 12 percent, the Florida "take" runs about 15 3-4 percent which, according to the Hialeah authorities, cuts the volume betting.

Legion Auxiliary After New Members

The American Legion Auxiliary, Canal Point Post 242, launched a membership drive at a meeting in the Legion Hall last week. Mrs. Ruby Tucker was named chairman in charge of the drive.
The group voted to make hospital garments for the veterans hospital in Coral Gables, with Mrs. Frank O'Connell named in charge of the project. It was announced Mrs. Marvel Griffith, music chairman, will present a series of musical programs in observance of music month in September.

75 Speed Boats Will Race At Clermont

difficult situation, and the conversion of some plants to government work. One manufacturer has already advised that his plant is converted to war supply," said Graw.

Container manufacturers have urged shippers to build up inventories so that manufacturers might be able to supply their needs before diverting their facilities, according to Graw.

"Shippers will recall the fact that during the World War II the Federal Government restricted the number of types of containers that could be used. It is suggested that they should be prepared to discuss voluntary standardization of containers, such as has been achieved for celery and other commodities at the annual meeting of FFVA in October," said Graw.

The association is holding its seventh annual meeting on October 4, 5 and 6 at Miami Beach. Early registrations by members and suppliers indicate a heavy attendance, according to Graw.

With the Glades corn harvest in full swing the local cattlemen dominated the market today and took cattle which ordinarily would have gone to slaughter buyers. Again the market held strong from beginning to end with thirty nine buyers who knew what they wanted and willing to pay a fair price.

We appreciate the cooperation being received in getting the sale started on time and very few times have we run into the night because of this cooperation. Today we averaged selling an animal every 41.6 seconds with no large groups selling and 63 percent of the cattle going through as single animals. There was no waiting for cattle to be loaded after the sale and frankly we are very proud of every
